- No Waiting Periods
- Coverage for Pre-existing Conditions

2. Complete the enclosed enrollment form, being sure to include the Dental Facility Number of each Plan Dentist selected.
3. Return your completed enrollment form to your Personnel Department or Benefits Manager authorizing payroll deductions for your coverage.

Secure Plan

1. Plan Dentist Services

The dental services listed in the following schedule are covered only when provided by the Member's selected Plan Dentist. The Member will be responsible for paying the amount listed in the "Member Copayment" column (plus any applicable lab fees*) at the time the service is received, or in accordance with the selected Plan Dentist's billing procedures. To fully understand the benefits, exclusions and limitations of this plan, the Member should consult the Evidence of Coverage.

Services marked with a single asterisk (*) below also require separate payment of laboratory charges. The laboratory charges must be paid to the Plan Dentist in addition to any applicable copayment for the service.

Payment for each service of a Non-Plan Dentist (at that dentist's normal retail charge) is the responsibility of the Member, except for limited Plan Benefits for covered dental Emergency Services for temporary pain relief.

2. Plan Specialist Services

Should the Member require dental services that his or her selected Plan Dentist is unable to provide, he or she may obtain those services from a Plan Specialist at a reduced rate. No referral is needed from the selected Plan Dentist in order for the Member to obtain services from a Plan Specialist.

There is no applicable copayment schedule for Plan Specialist services. Instead, the following reductions in that Plan Specialist's normal retail charges apply to all services received from a Plan Specialist. A 15% reduction applies if the Plan Specialist is an endodontist. A 25% reduction applies if the Plan Specialist is any other type of specialist, including but not limited to an orthodontist. The Member is responsible for paying the entire reduced charge at the time the service is received, or in accordance with the Plan Specialist's billing procedures.

Payment for each service of a Non-Plan Specialist (at that specialist's normal retail charge) is the responsibility of the Member, except for limited Plan Benefits for covered dental Emergency Services for temporary pain relief.

Learn more about the prepaid dental plan being offered to you!

Your employer is offering you an attractive prepaid dental plan. This Q&A will help provide you more information about the plan being offered to you.

What is a prepaid plan?

With a prepaid plan you pay a monthly prepayment fee plus you pay reduced fees called “copayments” for dental services provided. To receive the reduced fees you must use a Plan Dentist selected at the time of enrollment.

What are copayments and where can I locate the copayment schedule?

A copayment is the set fee that you pay to the Plan Dentist at the time of treatment for covered services that are being performed.

The copayment schedule is a listing of covered services and copayments for your plan. The schedule is included in the Evidence of Coverage. It is helpful to bring your copayment schedule to your dental appointment.

How do I select a Plan Dentist?

You should select your Plan Dentist when you enroll. You can visit www.assurantemployeebenefits.com and go to Provider Search or refer to your plan network directory for a listing of Plan Dentists. On the web site please choose the Heritage Series network listed on the Provider Search page for provider look-up. Note that your Plan Dentist must be a general dentist, not a specialist.

How long does it take to appear on the patient list/roster of my Plan Dentist that I select at time of enrollment?

If Assurant Employee Benefits receives your Plan Dentist selection by the 20th of the month, you will appear on the roster the 1st of the next month. If we receive the selection after the 20th, you will appear on the roster the 1st day of the second following month. If you are not listed on the roster, please contact us at 800.443.2995.

How will the Plan Dentist know I am a patient?

The Plan Dentist receives a patient listing, called a roster, from Assurant Employee Benefits each month that includes all members who have chosen that individual as their dentist.

Please confirm at the time of making your appointment with the Plan Dentist that you are on the provider's roster.

Can I change my Plan Dentist?

Yes, you can. To change your Plan Dentist, contact Customer Service at 800.443.2995.

What if I choose to see a dentist other than my selected Plan Dentist?

The costs will **not** be covered by your dental plan and you will be responsible for the full payment to the dentist. This is why it is important for you to seek treatment from your selected Plan Dentist.

If I have a dental emergency, do I need to see my Plan Dentist?

First, contact your Plan Dentist to make an appointment. If your Plan Dentist is unable to see you, you may seek treatment from any licensed dentist in the United States.

Please be informed that the emergency benefit in your plan is limited to the temporary relief of pain and has limited benefits.

If I need to see a specialist, how do I go about finding a Plan Specialist in my area?

You may find a list of Plan Specialists by looking in the plan network directory, visiting the web site at www.assurantemployeebenefits.com or calling 800.443.2995 for assistance. No referrals are necessary from your Plan Dentist to seek treatment from a Plan Specialist.

What if I lose my Dental ID card or have a question about my plan?

Contact Customer Service by calling 800.443.2995.

Pre-existing Conditions

5. Replacement of dentures or other removable appliances due to (a) damage while not in use or (b) loss or theft.

Oral reconstruction using fixed bridgework or other fixed appliances if the overall treatment plan to achieve complete oral reconstruction involves the replacement of six or more teeth (whether those teeth are missing before treatment begins or are extracted as part of the overall treatment plan).
7. Implants or any related implant appliances, or surgery for the insertion of implants or any related implant appliances, whether fixed or removable.
8. Surgical removal of implants or implant appliances, or any surgical or non-surgical services to adjust, repair, replace, or treat any problem related to an existing implant or implant appliance, whether fixed or removable.

Orthodontic Extractions

Extractions by a Plan Provider for solely orthodontic purposes are not subject to the fixed Copayments shown for extractions in the Copayment Schedule. Instead, such extractions are subject to charges reflecting a 25% reduction from that Plan Provider's normal retail charges for such extractions.

Termination

The Member's enrollment may be terminated as stated in the **TERMINATION** article of the Evidence of Coverage.
